SPECIAL OFFER
— OF —
ASTER
SEEDS.

WATKINS & SIMPSON,
12, TAVISTOCK STREET,
COVENT GARDEN, W.C.

WE grow these
.. very largely
.. abroad from
our own carefully
selected Stock seeds
and we can with con-
fidence recommend
them as equal to any
that can be bought.
✻ We respectfully
solicit a trial from all
those who have not
before tested them,
feeling sure it will
lead to future orders.
✻ We have intro-
duced many new
colours in several of
the sections. ✻ ✻

WE have added a notification of degrees of Earliness and Height for the convenience of those wishing to have successions of bloom either for pot culture or for bedding, for which Asters are eminently useful. The figures indicate degree of height, No. 1 being very dwarf and No. 6 tallest, EE extra early, E early, M medium, L late blooming.
